## Student Folio Guide

---

Our pricing guide below will give you an indication of the cost of your project. We are by no means the cheapest on the market, nor do we want to be. We partner with professionals who value the craft in what we do. Please note that we have a minimum charge of \$275 + GST. If this does not work within your budget, no hard feelings - let's work together in the future. If this pricing meets your budget, let's talk.

### Student Folio Printing Guide (exc. GST)
