TWO TONE CLOTH

Paradise

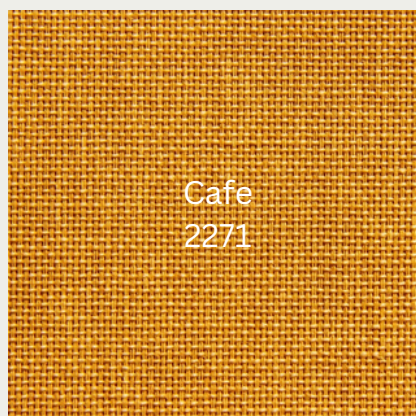

Paradise is an impressive two-coloured viscose material, a natural touch and feel, with a lively kaleidoscope of colours. It's fantastic interaction of fabric and background color, create a difference of colour intensity.

***Please note this fabric can be tricky to foil**

Fantasy

Cotton fabric laminated with an FSC certified paper backing, this canvas-like feel material has an acrylic coating making it perfect for menus and hospitality products.

Fancy Linen

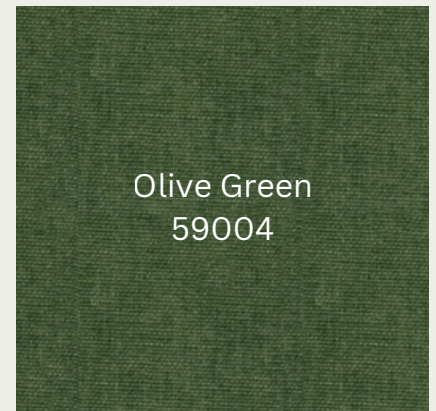

Strong and colourful with a subtle yet distinctive linen feel. This coated fabric is available in 21 colours with a linen texture. Thanks to the top coating, the cloth is dirt and water repellent.
